

**REMARKS**

Claims 1-27 are pending in the application. Claims 11-27 have been withdrawn herein without prejudice. Applicants reserve the right to pursue the withdrawn claims in one or more divisional patent applications.

**1. Election**

Claims 1-27 are subject to restriction and/or election requirement. The Office Action states that restriction to one of inventions I (claims 1-10) or II (claims 11-27) is required, as they are drawn to subcombinations that have separate utility.

Applicants hereby elect invention I, comprising claims 1-10. Claims 11-27 are hereby withdrawn.

**2. Conclusion**

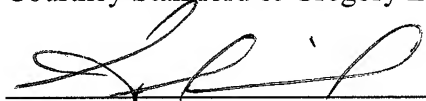

In view of the foregoing amendments, Applicants respectfully submit that the restriction requirement has been complied with, and respectfully request examination of the claims as amended. Applicants submit that claims 1-10 are in condition for allowance.
